*Both the student and the advisor should review this form each semester **in conjunction with the Portfolio Checklist**. Prior to the first day of the last semester of the student's program, the student must confer with his/her academic advisor and complete the "Intent to Graduate" form, submitting it along with this checklist (updated) **plus** any petitions, waivers, etc. See the *DSPT Student Handbook* for details on all program requirements.*

Program Requirements: 48 units total are required, with an overall GPA of at least 3.0. Each core course must have a grade of "B" (3.0) or better. In the both Options, 42 units of coursework + 6 units of Research & Writing Credit are required. The student must choose a primary area of concentration (Primary Concentration or PC) from those listed at the DSPT website, taking at least four courses in the PC; these may come from core courses &/or electives. No more than 24 units of the coursework may be taken at the introductory (1000) level. At least 2 courses, preferably in the PC, must be taken at the advanced (4000+) level. At least one-third of the courses must be taken at DSPT. In some cases, the particular concentration requires specific courses as specified in the *Student Handbook*.
